San Bernardino, Mentone, Redlands, and Yucaipa Area Traffic Improvements Approved

The unincorporated areas around San Bernardino, Mentone, Oak Glen, Redlands and Yucaipa all will benefit from \$11.5 million in improvements for traffic flows, road maintenance and bridge and sidewalk construction included in the FY 2007-2008 budget recently approved by the San Bernardino County Board of Supervisors.

These expenditures represent revenue from a variety of sources including Measure I, State Gasoline Taxes, Community Development Block Grant funds, and funds from Proposition 1B.

"Next year over \$20 million will be spent throughout the Third District making our roads safer," said Supervisor Hansberger. "We need far more money to get our roads and highways in the condition that I want them to be in, so if you ask 'Is this enough?' – my answer is 'no, but this is certainly a start,'" he said.

"From improving bridges around Redlands to building sidewalks in San Bernardino to flood control improvements near Yucaipa to improving roads in Mentone, this is a good start toward relieving many of the traffic problems our residents face every day," said Hansberger.
